TO MEMBERS OF THE SASKATCHEWAN FIELD HUSBANDRY ASSOCIATION:

Dear Member:

In a previous letter it was estimated that the signs would be ready by July 1st, but owing to unforeseen delays of various kinds, including the fact that quite a number of the members sent in their orders rather late, we were unable to have them ready as early as planned. However, the order has been placed and acknowledged by the Company, the St. Thomas Signs Limited at St. Thomas, Ontario, and all those who ordered signs should receive them in the very near future. If any mistakes are made in the matter of printing the name or if you fail to receive your sign in a reasonable time, I will appreciate it if you will let me know so that I can have the necessary adjustments made. We do not want anyone to be disappointed.

I am enclosing a copy of the Constitution of the Association which every member should keep on hand for reference. As this is written we are looking forward to a very good attendance and pleasant day on Wednesday, the day of our annual field day.

Yours very truly,

Saskatchewan Field Husbandry Association.

Manley Champlin,

Secretary.

I. J. Steele,
President.
